

# Sibelius Survey

Fill in and send back for your chance to win the Groovy Shapes, Jungle, and City suite.

Dear MOSAIC participant.

As the major sponsor of the ANCOS National Conference 2008, Sibelius is interested in assisting you with the integration of Music Technology skills in the classroom, and helping you to develop your own skills in Sibelius and Groovy Shapes, Jungle and City. The following survey will assist MOSAIC course organisers and Sibelius to provide relevant and useful material in the elective sessions at MOSAIC 2008. *(please feel free to PTO if you would like more space)*

Primary Teacher  Secondary Teacher  Other:.....

Do you currently use:  Sibelius  Groovy Shapes  Groovy Jungle  Groovy City

If you are using Sibelius already, how do you use it?

For yourself?

With your students?

What would you like to be able to do with computer music in the classroom?

Create an Audio CD of student work  Create Backing Tracks for student rehearsal

Teach students compositional skills  Publish student compositions on school website

Create worksheets and other resources  Put student performances on school website

Other:.....

What other music programs, if any, do you use?

How do you use your other programs?

How can we help you develop/implement Sibelius skills for you and your classes?

Would you be prepared to share your Sibelius resources with other Orff Association members?

Please return this survey before the **1<sup>st</sup> of October 2007** to assist with conference preparation.

**Please remember to add your name and email below and send in to:**  
Sibelius Software, 2/52 Weaver St, Edwardstown SA 5039 or fax 08 8277 1799
